PUBLIC NOTICE

As the City of South Amboy moves toward construction of the Radford Ferry Passenger Ferry Facility it is essential to obtain input from the public, consulting parties, stakeholders, and invited participants about the site design. More specifically, it is the intent to solicit commentary regarding the site design as it fulfills the intents and the requirements of the project Memorandum of Agreement. Among other things, the Agreement requires a site design which refers to the history of the site as the terminus of the Camden and Amboy Railroad. The City has scheduled an informational meeting for Thursday, February 25, 2021 at 6pm. Specific information is available for review at the **following link here**. A color rendering of the site plan is available here.

A presentation will be provided explaining the proposed project followed by an opportunity for public comments and questions. You may also submit questions in advance of the meeting date by email to ba@southamboynj.gov [please put Radford Ferry Project in the subject line] or US Mail to Radford Ferry Project, 140 North Broadway, South Amboy, NJ 08879.

Any member of the public with interest in any aspect of this project is invited to join this public meeting at the following link:

South Amboy Ferry Project Public Meeting

Thu, Feb 25, 2021 6:00 PM - 8:00 PM (EST)
